| 1 | The department wishes to recover the full cost of service (including consultant cost) for all major projects. If the Planning Director is of the opinion that the processing cost of an application including environmental review or administering the conditions of approval will be substantially in excess of the maximum charge, the applicant may be notified before the project is scheduled for public hearing that the total processing cost will be determined by full cost recovery techniques and that additional |
| 2 | Land Use Element/Local Coastal Plan map amendment and area plan update property request fees also cover any accompanying related text amendments, and any resultant necessary changes to other general plan elements to maintain internal consistency. |
| 3 | The Microfiche/Records fee has been added to the application fee for plot plans, business license, site plans, road namings, curb and gutter, time extensions, development plans, minor use permits, variances, all other land divisions, all requests involving agricultural preserves, SRB reconsideration and general plan amendments including specific plans. |
| 4 | When electrical, plumbing and mechanical permits are obtained at the same time on a single application and permit form, only one issuance fee shall apply. |
| 5 | Excludes requests for modification to mobile home standards or residential density standards. Change to approved use is restricted to requests involving either a new or changed use within buildings already authorized by a previously approved development plan. |
| 6 | The Department wishes to recover the full cost of staff time required to resolve land use violation cases that do not require issuance of a land use permit. The Planning Director shall notify the property owner at the time a violation is verified to exist. The total administrative cost of resolving the enforcement case will be determined by full cost recovery techniques and the property owner will be billed accordingly. |
| 7 | The Planning Director is delegated the authority to grant fee waiver requests for land use and construction permits on development projects that are proposed by volunteer, community and nonprofit organizations for the benefit of an entire community when the project satisfies the following criteria. This policy does not apply to requests for general plan amendments a. The proposed project will be available for use by the public at-large and it is likely that the project will be used or will benefit |
| 8 | Where disestablishment of a preserve is requested concurrently with a General Plan amendment application for the property, this fee will not be collected and the General Plan amendment fee will instead cover the costs. |
| 9 | This fee applies to all Requests for Allocation/Allotments for new residential dwelling units submitted in accordance with the Growth Management Ordinances (Title 26). This fee is non-refundable. This fee also applies to applications for "grandfathered" units in Cambria. |
| 10 | A pre-application meeting is recommended for the following types of applications: a. Development Plan b. Development Plan for oil wells/mines c. Parcel Maps |
| 11 | Fee to be collected for projects requiring review by Airport Land Use Commission (ALUC). |
